Also available on most RAL colours, call for a quote Please note: The 1.6m relates to the length of the slope, therefore the horizontal projection will vary dependant on the selected roof pitch. More Information The High Performance Canopy System The Evolution Canopy is an exciting new system, encompassing a modern design with clean sight lines providing ease of installation. In addition, its high structural performance ensures this system is an ideal choice for domestic, DIY and commercial applications. This highly versatile system offers a solution for many applications such as: • car ports • covered seating areas • covered play areas • porches • patio canopies • caravan shelters • cycle shelters • smoking shelters • walk way covers The system can be supplied in modular kit format (please see size matrix) as well as bespoke sizes and configurations. For specific non-standard projections please contact us for technical support. The kits are supplied with all the fixings and sealants required for a standard installation and also includes a comprehensive fitting guide. System Features • The system is manufactured in maintenance free powder coated aluminium in white as standard with any RAL no. colour available at extra cost and lead time. • The canopy is glazed with 16mm triple wall UV stabilised polycarbonate sheeting offering greater flexibility in canopy design with enhanced strength and rigidity, available in clear, bronze or opal tints. • The standard canopy range is available on a 10 - 20 working day lead time. • The eaves beam cleverly double's as an integral box gutter utilising the support posts as down pipes with the rain water exiting through the variable height post feet. • The system can accommodate pitches from 5 degrees to 15 degrees, on standard modular kits the maximum projection is achieved at a pitch of 5 degrees. • As well as the standard lean too configuration the system can be specified as a gable roof design with the wall plates bolted back to back to form a ridge supported between two host walls or as a free standing option supported on posts. Installation Guide - Click Here Home / Corrugated Sheet Fixings Fixing Packs are available as follows; Pack of 10 fixings without spacers - Suitable for Mini Profile Corrugated PVC Sheeting only Pack of 50 fixings without spacers - Suitable for Mini Profile Corrugated PVC Sheeting only Pack of 10 Fixings with spacers - Suitable for 3" Standard, Box and Iron Profiles Corrugated PVC Sheeting only Pack of 50 Fixings with Spacers - Suitable for 3" Standard, Box and Iron Profiles Corrugated PVC Sheeting only Pack of 10 Fixings without spacers - Suitable for 6" - Big 6 Profile Corrugated PVC Sheeting only Easy to use. Only shame is they are in packs of 10 so loads of wasted packaging and fiddly to keep unpacking. Hard to imagine a roofing job that wouldn't benefit from much larger packs Graham Macdonald 19th October 2021 Exactly as specified, seem to fix the roofing sheets fine Andy Stretton 1st October 2021 Excellent Product and great value for money Mrs Theresa Taylor 5th September 2021 Need to return as bought another product customer 11th October 2020 Perfect for securing the mini corrugated panels Andrew Hills 4th October 2020 Not very useful and doesn't look like the picture. On the website these look like a screw and cap but they're not. They are a small tack with a tiny cap and not much use for holding anything down. I decided not to use them and bought something else locally. DeliveryFor delivery to mainland UK.How much does delivery cost?Delivery charges will vary and will depend on the manufacturer, weight, size and delivery location. The cost is automatically calculated when you add items to the shopping basket.How long will I wait for my delivery?The estimated delivery times are shown on each product page, we will email you each step of the way to keep you informed. The majority of products can be delivered within 3-5 working days.We will advise you if the delivery period is different from than stated on our website. Please note that, due to Coronavirus, deliveries may take longer than advertised.Do you offer NEXT DAY delivery?We currently offer next day delivery on certain brands. If you have a particular item that you require quicker than the guide on our website, please contact our sales team on 01858 455055 during office hours, they will be able to confirm whether a quicker delivery is possible.What if my delivery doesn't turn up on time?Please contact our sales office on 01858 455055 or email sales@roofgiant.com and we will advise on the status of your order. While we make every effort to ensure orders are delivered by the date required, we cannot guarantee availability from the manufacturer or the manufacturer's delivery schedules.Do you offer FREE Delivery if I spend a substantial amount?Not as standard, we show the delivery charges separate once you go to the checkout so it is clear what you are paying for the products and delivery costs. If you are ordering larger quantities please contact our sales team who will be able to confirm if this is possible.Do you deliver on Weekends?Not as standard, our deliveries are made Monday to Friday. If you do need an urgent Saturday delivery please contact our sales team on 01858 455055 during office hours who will be able to confirm. This will incur a premium charge if possible.Do you deliver to Northern Ireland/Channel Islands/The Scottish Highlands/Isle of Wight?Some suppliers/couriers will deliver to these areas but not all, please contact our sales team on 01858 455055 or email sales@roofgiant.com during office hours for confirmation. If we are able to deliver the product you require, additional transport costs will apply, we will be able to confirm this to you. These additional costs are based on the manufacturer, distributor or courier providing the shipping on our behalf.Are there separate delivery rules for Republic of Ireland post-Brexit? We can deliver to the ROI but will need a customers EORI reference before we can process an order, if you need a delivery to a business address. This is for business addresses only. Please note, any inbound additional customs fees have to be paid by the customer on receipt of delivery, Roof Giant are not liable for these additional costs. What should I do when my order arrives?Please check your order as soon as it arrives to ensure it is as requested, and to check for any damage or items missing. All damages/items missing should be reported to the driver and signed for as damaged/and or missing. Please contact Roof Giant within 24-48 hours with full details to enable us to inform the supplier. Orders signed for "unchecked" will be deemed to have been received in good condition with no guarantee of replacement or refund. As soon as the order

has been delivered to your requested delivery address, the risk of any damage or loss passes to you.Do additional charges apply if I am not in to receive?All delivery charges are based on the customer being able to accept the goods, please make sure you are at the delivery address to avoid any additional charges chargeable by the manufacturer, distributor or courier responsible for re-delivery.What happens if we have a failed delivery? Roof Giant will always update you if a delivery date changes. Should the delivery fail because there is no one available to accept the order please note a re-stock and failed delivery charge may apply. Please contact Roof Giant to discuss re-delivery and charges that apply. Please note these are set by the supplier and not Roof Giant therefore will be passed on to you the customer.What if my delivery doesn't turn up on time?Due to current issues across the UK logistics and courier network, some deliveries can take longer than normal which is, unfortunately, impacting customers across the UK.We always aim to deliver on the delivery date we provide and ship goods within the lead times advertised at the time of purchase on our website. These are subject to change due to availability. We cannot accept responsibility for any delays that are outside of our control, provided we deliver the goods within a reasonable period. If we can't deliver your items within this reasonable period, you have the right to cancel your order for a full refund, including any delivery charges. Some exemptions apply to bespoke or made to order goods.We cannot accept liability for any personal damages resulting from delays of the goods, including compensation for lost work and exceptional hire charges in relation to delays. We strongly advise all customers to not schedule or start work before they are in receipt of the goods due to the current logistics issues.Is customer tracking available?Some of our manufacturers, distributors, couriers can offer this service. Please ask Roof Giant for more information on whether this is available against the goods ordered.If I order multiple items will I receive just 1 delivery?If your order consists of more than 1 item you may receive more than one delivery, depending on stock availability some orders maybe split to enable you to avoid delaying the start of your project. We will keep you updated on your order or you can contact Roof Giant directly via phone/email/live chat.I live on a narrow street with limited access with over hanging trees, will this affect my delivery?Please confirm any delivery restrictions at the time of order, we will need to ensure any restrictions/extra delivery requirements can be addressed prior to processing.I have a large order being delivered to kerbside only, do I need to make any additional arrangements to move the goods?Yes you do, this type of delivery means your goods will be dropped at the kerb therefore you need to make arrangements to move the goods onto your property where is safe to store.Can I collect from you?No, not currently. However you may be able to arrange collection from one of our manufacturers/distributors. If you would like to discuss please contact Roof Giant on tel no/email/live chat \*
